

Providing Small and Medium Business with customized computing solutions and large vendor resources.

Our experience dates back to the days of heavy metal main frames and we have kept pace with the dynamic computer field all along the way. We can provide the experience and

technical knowledge to bring working projects in on time and within budget. We provide superior work habits and professional service for our clients.

WE ARE STILL EXCITED TO BE INVOLVED IN THE EXCITING AND EXPANDING COMPUTER TECHNOLOGY AREA

Contact us for support with your SMB Computing Technology needs.

WHAT ELSE SHOULD I KNOW?

We are motivated to provide exceptional service and support to our clients. We can provide technology solutions to help you grow your business and increase profits.

Jove Technologies, LLC
PROVIDING PROFESSIONAL COMPUTING SOLUTIONS

Customized service combined with large vendor technologies provides SMB's with professional computing solutions!!!

Professional Service, Always....

VOICE OVER INTERNET PROTOCOL (VOIP)

Allworx integrates a feature-rich IP phone system and a robust data network system with advanced features that substantially improves **small business productivity** at the lowest installed cost of any VoIP system.

VocalNet is an industry first mover and one of the oldest providers of converged voice and data services over IP. From our formation 7 years ago, our services have gained the highest approval available satisfied customers.

PAETEC

PAETEC delivers personalized communications solutions and unmatched service to business-class customers in more than 80 percent of the nation's top 100 metropolitan areas. PAETEC's data and voice products - and our unique value-added offerings - help customers achieve cost-effective solutions.

WEB BASED TECHNOLOGIES

Email Marketing by **Constant Contact®** makes it easy, effective, and highly affordable to connect with your audience and build strong, successful, lasting relationships with them.

Online Survey by Constant Contact® makes it easy to get customer feedback that helps you respond to their needs, keep them loyal, and grow your organization.

NetworkSolutions.

At **Network Solutions®**, we focus on helping small businesses start and market their businesses on the Web, enabling them to realize their dreams of self-reliance, entrepreneurship, creativity, and financial independence.

Jove Technologies, LLC can provide web site services from simple bulletin board sites to full blown E-commerce sites in partnership with Network Solutions.
